He has been playing for the "Till I Hear You Sing Tour" and is looking forward to sharing the stage with a few of his tour mates. As a performer and multi-instrumentalist Sam has found himself on-stage, in the orchestra and also conducting. Theatre feels like home and he's excited to share the stage with the cast of Sleeping Beauty!

Joan Mansfield *Producer*

Joan Mansfield was born into the Arts in Cape Town, South Africa. Due to the evils of Apartheid, her family emigrated to Canada 1966, setting up their new home in Toronto. In the 1970s, Joan was a glamour model for fashion and cosmetic lines, and found a life long career in children's education, often infusing her love and passion for theatre to arts in education. Mansfield Entertainment- which started out as Jjazzmans productions in the early 1990s, evolving over nearly 3 decades to become one of the few commercial regional theatres in Ontario, now proudly committed to providing employment to artists in their own "backyard". Joan, the founder and Artistic Director has been

at the helm of Mansfield Entertainment for the entire journey thus far, and has directed most of the productions for the company and is committed for many more years in these roles.

Kit Bauldry *Stage Manager*

Mansfield Entertainment's Resident Stage Manager, Kit Bauldry (she/her), has been with the company since 2013. Kit was introduced to the crazy, high energy backstage world while assisting Joan on a school production of Rats, and has been hooked ever since. Select productions include The Music of the Night and Music of Broadway tours, A Christmas Story, Next to Normal, Rent, Mamma Mia, We Will Rock You, The Last 5 Years, Daddy Long Legs, Evil Dead, (3 times), Disney's The Little Mermaid and Aladdin musicals, dramatic productions of Oliver, The Giver, The Laramie Project, Tuesdays With Morrie, Any Night, and the Christmas Pantomimes of Peter Pan, Aladdin, Cinderella, Wizard of Oz, Peter Pan, and The Spongebob Musical. Kit was involved in her church's Christmas Eve Youth Productions, (featuring live animals), for 20 years, as backstage manager, assistant director, and as director for my final 5 years. Kit is a retired Education Assistant, who when not working on productions, enjoys sewing, hiking, reading, spending time with family and friends, and her two beautiful and energetic granddaughters. Her goal backstage is to run an efficient, and organized backstage, supporting the actors in a calm, kind, fun, and supportive manner, and to ensure that the director's vision is carried out to the fullest.
